**ARTICLE I
PROPERTY RIGHTS**

Section 1. Owners' Right of Enjoyment. Subject to the provisions of Section 2 of this Article, every Owner shall have a nonexclusive right to enjoy and use Tract A, Queens Subdivision, the irrigation system and easements located upon the Property and such right shall be appurtenant to and shall pass with the title to every Lot. The cost of irrigation water provided by Grand Valley Irrigation Company shall be billed to the Association, and use of such irrigation water is expressly subject to the requirements of Grand Valley Irrigation Company. Upon recording of this Declaration, Declarant shall convey title to the irrigation water shares and easements located upon the Property to the Association. Tract A, as shown on the Subdivision Final Plat, shall be conveyed to the Queens Homeowners Association, Inc. subject to a perpetual, non-exclusive blanket easement

over and across Tract A, for use by the general public for park and recreation purposes. Under the terms of said easement, members of the general public shall be entitled to use such property, and any improvements constructed thereon, on an equal basis with residents of the Subdivision, subject to non-discriminatory rules and regulations promulgated by the Queens Homeowners Association, Inc.

Section 2. Extent of Owners' Right. The right of enjoyment created hereby shall be subject to the following:

a. The right of the Queens Homeowners Association, Inc. ("Association") to promulgate and publish rules and regulations with which each Member shall strictly comply; and

b. The right of the Association, as provided in its Articles and Bylaws, to suspend the voting rights of a Member for any period during which any assessment against his Lot remains unpaid and, for a period not to exceed sixty (60) days, for any infraction of its published rules and regulations; and

c. The right of the Association to close or limit the use of the irrigation system and easements while maintaining, repairing or making replacements thereto or in the event a Member has had his voting right suspended.

d. A perpetual, non-exclusive blanket easement over and across Tract A, Queens Subdivision, for use by the general public for park and recreation purposes.

Section 3. Delegation of Use. Any Owner may delegate, in accordance with the Bylaws, his right of use to the members of his family, his tenants, or contract purchasers who reside on his Lot.

ARTICLE II MEMBERSHIP AND VOTING RIGHTS: THE ASSOCIATION

Section 1. Membership. Every Owner of a Lot which is subject to assessment hereunder shall be a Member of the Association. Membership shall be appurtenant to and may not be separated from ownership of any Lot. Each Lot shall be entitled to one vote and the vote for such Lot shall be exercised by the Owner or Owners as they determine.

Section 2. Directors of the Association. The affairs of this Association shall be managed by a board of three (3) directors (the "Board") initially. When Declarant relinquishes control of the Board to the Owners pursuant to Section 3 below, the Board shall be managed by at least three (3) directors. Directors shall meet the qualifications described in the Articles of Incorporation and Bylaws of the Association.

Section 3. Management of the Association. From date of formation of the Association until the termination of Declarant's control as provided below, Declarant shall have the right to appoint and remove all members of the Board and all officers of the Association. The period of Declarant's

control of the Association shall terminate upon the first to occur of sixty (60) days after conveyance of 75% of the Lots to Owners other than Declarant, two (2) years after the last conveyance of a Lot by Declarant in the ordinary course of business, or two (2) years after the right to add new lots was exercised by Declarant. Declarant may voluntarily surrender the right to appoint and remove officers of the Association and members of the Board before termination of the period of Declarant's control, but in that event Declarant may require, for the duration of the period of Declarant's control, that specified actions of the Association or Board, as described in a recorded instrument executed by Declarant, be approved by Declarant before they become effective. Not later than the termination of the period of Declarant's control as provided above, the Owners (including Declarant) shall elect a Board of at least three (3) members, at least a majority of whom must be Owners other than Declarant or designated representatives of Owners other than Declarant and the Board shall elect the officers, with such Board members and officers to take office upon termination of the period of Declarant's control.

Section 4. Officers of the Association. The officers of this Association shall be as set forth in the Bylaws of the Association.

Section 5. Budget. Pursuant to §38-33.3-303(4), C.R.S., within 90 days after adoption of any proposed budget for the common interest community, the board shall mail, by ordinary first class mail, or otherwise deliver a summary of the budget to all lot owners and shall set a date for a meeting of the lot owners to consider the budget. The meeting shall be held within 30 days of the mailing of the notice. The proposed budget does not require the consent of the lot owners to be effective, but may be vetoed by a majority of the lot owners present in person or by proxy at the meeting if a quorum is present.

Section 6. Insurance. The Association shall be responsible for the purchase of all insurance, including but not limited to the insurance required under §38-33.3-313, C.R.S.

ARTICLE III COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. Each owner of any Lot, including Declarant, by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (1) annual assessments or charges, and (2) special assessments for common area maintenance and improvements, to be established and collected as hereinafter provided. The annual assessments, together with interest, late charges, costs, and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the Lot against which such assessment is made. The obligation for such payments by each Owner to the Association is an independent covenant, with all amounts due from time to time payable in full without notice (except as otherwise expressly provided in this Declaration) on demand, and without setoff or deduction. The lien may be enforced by foreclosure of the defaulting Owner's Lot by the Association in like manner as a mortgage on real property. In any such foreclosure, the Owner shall be required to pay the costs and expenses of such proceedings,

including reasonable attorney's fees. The Board of Directors or managing agent of the Association may prepare a written notice setting forth the amount of such unpaid indebtedness, the name of the Owner of the Lot and a description of the Lot. Such a notice shall be signed by one of the Board of Directors or by the managing agent of the Association and may be recorded in the office of the Clerk and Recorder of the County of Mesa, Colorado. The lien for each unpaid assessment attaches to each Lot at the beginning of each assessment period and shall continue to be a lien against such Lot until paid. The costs and expenses for filing any notice of lien shall be added to the assessment for the Lot against which it is filed and collected as part and lot thereof. Each assessment, together with interest, late charges, costs, and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such Lot at the time when the assessment became due. The personal obligation for delinquent assessments shall not pass from them. The Association's lien on a Lot for assessment shall be superior to any homestead exemption now or hereafter provided by the laws of the State of Colorado or any exemption now or hereafter provided by the laws of the United States. The acceptance of a deed to land subject to this Declaration shall constitute a waiver of the homestead and any other exemption as against said assessment lien.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the health, safety and welfare of the residents of the Property and, to the extent not performed by any applicable governmental entity, for the maintenance of the Common Area, of the irrigation water system serving the Property and for procuring insurance pursuant to §38-33.3-313, C.R.S.

Section 3. Maximum Annual Assessment.

a. Until commencement of the second annual assessment period, the maximum annual assessment shall be Fifty Dollars (\$50.00) per Lot.

b. Effective with commencement of the second and each subsequent Association fiscal year, the maximum annual assessment against each Lot shall be increased effective each Association fiscal year by the greater of: (i) ten percent (10%); or (ii) in conformance with the rise, if any, of the Consumer Price Index published by the U.S. Department of Labor, Washington, D.C., for All Items and Major Group Figures for All Urban Consumers (1967 - 100), for the one (1) year period ending on the last day of October of the prior year. The aforesaid annual increase in the maximum annual assessment shall occur automatically upon the commencement of each Association fiscal year without the necessity of any action being taken with respect thereto by the Association. In the event the aforesaid Consumer Price Index is not published, for whatever reason, then if the increase in the maximum annual assessment is to be computed by reference to the Consumer Price Index, as provided herein, such calculation shall be made by using a substantially comparable index designated by the Board of Directors of the Association.

c. Effective with commencement of the second and each subsequent Association fiscal year, the maximum annual assessment may be increased by a vote of the Members over the amount established by the applications of the provisions of Section 3(b) above for the next

succeeding Association fiscal year and at the end of that year, for each succeeding Association fiscal year, provided that any such increase shall have the assent of two-thirds (2/3) of the Members who are voting in person or by proxy, at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than 30 days nor more than 60 days in advance of such meeting setting forth the purpose therefor.

d. The Board of Directors of the Association may, at any time and from time to time, after consideration of the projected maintenance costs and the other financial needs of the Association, fix the actual assessment against each Lot at an amount less than the maximum assessment for any Association fiscal year.

Section 4. Rate of Assessment. Annual assessments shall be fixed at a uniform rate for all Lots and shall be allocated to each Lot on the basis of a fractional share per Lot, the numerator of which fraction shall be one and the denominator of which shall be the number of Lots contained within the Property, and shall be in an amount sufficient to meet the expected needs of the Association.

Section 5. Date of Commencement of Annual Assessments. The initial annual assessment shall commence on the first day of the month following conveyance of the first Lot, and the second and each subsequent annual assessment period shall correspond with the fiscal year of the Association. The annual assessments shall be made due and payable with such frequency and on such dates as determined by the Board, but no more frequently than monthly, provided that the first annual assessment shall be adjusted according to the number of months in the first Association fiscal year. Any Owner purchasing a Lot between installment due dates shall pay a pro rata share of the last installment due.

Section 6. Reserve Accounts. The Association shall have the right to maintain adequate reserve fund accounts out of the annual assessments for the repair and replacement of those elements of Association property that must be repaired or replaced on a periodic basis.

Section 7. Effect of Nonpayment of Assessments; Remedies of the Association. Any assessment not paid within ten (10) days after the due date thereof shall bear interest from the due date at the rate established by the Association not exceeding 21% per year. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against such Owner's Lot, and in the event a judgment is obtained, such judgment shall include interest on the assessment and a reasonable attorney's fee to be fixed by the court, together with the costs of the action. No Owner may waive or otherwise escape liability for the assessments provided for herein by nonuse or abandonment of his Lot.

Section 8. Lien for Assessments.

a. Under the Common Interest Act, the Association has a statutory lien on a Lot for any assessments levied against that Lot and for fines imposed against its Owner from the time each assessment or fine becomes due. In addition, fees, charges, late charges, attorneys' fees, fines and interest charged pursuant to this Declaration or the Common Interest Act are enforceable as assessments. If an assessment is payable in installments, the full amount of the assessment is a lien from the time the first installment thereof becomes due.

b. The statutory lien for assessments is prior to all other liens and encumbrances on a Lot except: (1) liens and encumbrances recorded before the recordation of this Declaration; (ii) a lien of a First Mortgage which was recorded before the date on which the assessment sought to be enforced became delinquent; and (iii) liens for real estate taxes and other governmental assessments or charges against the Lot. Notwithstanding the foregoing, the statutory lien for assessments is also prior to the lien of a first mortgage to the extent of an amount equal to the assessments based on a periodic budget adopted by the Association which would have become due, in the absence of any acceleration, during the six months immediately preceding institution of an action to enforce the statutory lien.

c. The recording of this Declaration constitutes record notice and perfection of the statutory lien. No further recordation of any claim of lien or assessment is required, however, a claim may be recorded at the Association's option, in which event costs and attorneys' fees incurred in connection with the preparation and filing of such claim shall be assessed against the Owner's Lot as a default assessment.

**ARTICLE IV
EXTERIOR MAINTENANCE**

Section 1. General. Except as otherwise provided herein, the maintenance and repair of each Lot, including but not limited to landscaping, the interior and exterior of the residence, improvements constructed thereon, and any fence on the boundary line of a Lot shall be the responsibility of the Owner(s) thereof.

Section 2. Owner's Negligence. Notwithstanding anything to the contrary contained in this Article IV, in the event that the need for maintenance or repair of the Association Property is caused by the willful or negligent act or omission of any Owner, or by the willful or negligent act or omission of any member of such Owner's family or by a guest or invitee of such Owner, the cost of such repair or maintenance shall be the personal obligation of such Owner, and any costs, expenses and fees incurred by the Association for such maintenance, repair or reconstruction shall be added to and become part of the assessment to which such Owner's Lot is subject and shall become a lien against such Owner's Lot as provided in Article III of this Declaration. A determination of the negligence or willful act or omission of any Owner or any member of an Owner's family or a guest or invitee of any Owner, and the amount of the Owner's liability therefor, shall be determined by the

Association at a hearing after notice to the Owner, provided that any such determination which assigns liability to any Owner pursuant to the terms of this Section may be appealed by said Owner to a court of law.

The Association shall pay all fees and assessments to the irrigation company when due as necessary to prevent the loss of such water shares. This provision of the Declaration may not be amended or deleted without the expressed written consent of the City of Fruita.

ARTICLE VI ARCHITECTURAL CONTROL COMMITTEE

Section 1. Composition of Committee. The Architectural Control Committee ("ACCO") shall consist of three (3) or more persons appointed by the Board of Directors of the Association; provided, however, that until Declarant has conveyed all Lots to Owners other than the Declarant, or until three (3) years after the date of recording of this Declaration in the office of the Clerk and Recorder of Mesa County, Colorado, whichever occurs earliest, Declarant shall appoint the Architectural Control Committee. A majority of the Committee may, from time to time, designate a representative to act for it. Reasonable effort shall be made to have a licensed architect as a Committee member. The power of the Declarant to "appoint", as provided herein, shall include without limitation the power to: initially constitute the membership of the Architectural Control Committee, appoint member(s) to the Architectural Control Committee upon the occurrence of any vacancy therein, for whatever reason remove any member of the Architectural Control Committee, with or without cause, at any time, and appoint the successor thereof; and each such appointment may be made for such term(s) of office, subject to the aforesaid power of removal, as may be set from time to time in the discretion of the Declarant. The ACCO shall have the right to adopt Architectural Control Guidelines from time to time to assist owners in applying for ACCO approval.

Section 2. Prior Approval. No buildings or exterior improvements of any kind, including (without limitation) driveways leading to the various structures within Queens Subdivision shall be

constructed, remodeled or altered in any fashion on any lands within Queens Subdivision, nor may any vegetation be altered or destroyed, nor any landscaping performed unless two (2) complete sets of plans and specifications for such construction or alteration or landscaping are submitted to and approved by the ACCO prior to the commencement of such work. All applications shall be submitted to the ACCO in writing, if the ACCO fails to take any action within thirty days after complete architectural plans and specifications for such work have been submitted to it, then all of such submitted plans and specifications shall be deemed to be approved. The ACCO may adopt rules and regulations for processing of such applications, including a reasonable processing fee.

Section 3. Plans. Plans and specifications submitted hereunder shall show the nature, kind, shape, height, materials, floor plans, location, exterior color scheme, alterations, grading, drainage, erosion control and all other matters necessary for the ACCO to properly consider and make a determination thereon. Submittals shall include a minimum of:

- a. 1" = 10' scale site plan showing property boundaries, setbacks, building envelope, principal and accessory buildings, driveway location and width, surface drainage and fencing.

Opinions of adjoining property owners shall be considered in any such decisions. Any setback variance shall also require the approval of the City of Fruita.

Section 5. Best Judgment. The ACCO shall exercise its best judgment to see that all improvements, structures, landscaping and all alterations on the land within Queens Subdivision conform and harmonize with the natural surroundings and with existing structures as to external design, materials, color, siding, height, topography, grade, drainage, erosion control and finished ground elevations.

Section 6. Time. After approval of any plan by the ACCO, the same shall be completed with due diligence in conformity with conditions of approval, if any. Failure to adhere to any term of approval shall operate automatically to revoke the approval, and the ACCO may require the property to be restored as nearly as possible to its previous state. The time for completion of any such work may be extended by the ACCO.

Section 7. Liability. The ACCO, the Developer, or any owner shall not be liable in damages to any person, corporation or association submitting any plans and specifications or to any owner by reason of any action, failure to act, approval, disapproval, or failure to approve or disapprove any such plans and specifications. Any owner submitting or causing to be submitted any plans and specifications to the ACCO agrees and covenants that he will not bring any action or suit to recover damages against the ACCO, the Developer or any owner collectively, its members individually or its advisors, employees or agents.

Section 8. Procedures. The Architectural Control Committee shall approve or disapprove all requests for architectural control approval within thirty (30) days after the complete submission of copies of all plans, specifications, and other materials which the Committee may require in conjunction therewith. In the event that the Architectural Control Committee fails to approve or disapprove any request within thirty (30) days after the complete submission of all plans, specifications, materials and other information with respect thereto, approval shall not be required and this Article shall be deemed to have been fully complied with.

Section 9. Vote and Appeal. A majority vote of the Architectural Control Committee is required to approve a request for architectural approval pursuant to this Article. An Owner may appeal the decision of the Architectural Control Committee to the Board of Directors if the Board is composed of different members than the Architectural Control Committee, and, in such event, the decision of the Board shall be final.

Section 10. Records. The Architectural Control Committee shall maintain written records of all applications submitted to it and all actions taken by it thereon, and such records shall be available to Members for inspection at reasonable hours of the business day.

Section 11. Waivers. The approval or consent of the Architectural Control Committee to any application for architectural approval shall not be deemed to constitute a waiver of any right to withhold or deny approval or consent by the Committee as to any application or other matters whatsoever subsequently or additionally submitted for approval or consent hereunder.

Section 2. Severability. Invalidation of any of the covenants, restrictions or other provisions contained in this Declaration by judgment or court order shall in no way affect or limit any other provisions which shall remain in full force and effect.

Section 3. Easements. Within these easements no structure, planting or other material shall be placed or permitted to remain which may damage or interfere with the installation and maintenance of utilities, or which may change the direction of flow of drainage channels in the easements. Declarant and the Association hereby reserves the right to enter upon the Property to correct any flow of water and to establish and re-establish drainage channels.

Section 4. Conflict of Provisions. In case of any conflict between this Declaration, the Articles of Incorporation or Bylaws of the Association, this Declaration shall control. Section 6. Duration, Revocation, and Amendment.

a. Each and every provision of this Declaration shall run with and bind the land for a term of twenty (20) years from the date of recording of this Declaration, after which time this Declaration shall be automatically extended for successive periods of ten (10) years each. Except as provided in subsections (b) and (c) of this Section 6, this Declaration may be amended during the first twenty (20) year period, and during subsequent extensions thereof, by any instrument approved in writing by not less than sixty-seven percent (67%) of the Members. Such amendment shall be effective when duly recorded in Mesa County, Colorado.

b. If Declarant shall determine that any amendments to this Declaration or any amendments to the Articles of Incorporation or Bylaws of the Association shall be necessary in order for existing or future mortgages, deeds of trust or other security instruments to be acceptable to any of the Agencies, Declarant shall have and is hereby specifically granted the right and power to make and execute any such amendments without obtaining the approval of any Owners or First Mortgagees. Each such amendment of this Declaration or of the Articles of Incorporation or Bylaws shall be made, if at all, by Declarant prior to termination of the Declarant's control or the Association.

c. Declarant hereby reserves and is granted the right and power to record technical amendments to this Declaration, Articles of Incorporation or Bylaws of the Association at any time prior to the termination of Declarant's control or the Association, for the purposes of correcting spelling, grammar, dates, typographical errors, or as may otherwise be necessary to clarify the meaning of any provisions of any such document.

Declarant, for itself and its successors and assigns, hereby retains a right to store construction materials on Lots owned by Declarant and to make such other use thereof as may be reasonably necessary or incidental for the purpose of the completion or improvement of the Property, the performance of Declarant's obligations hereunder, and the sale of the Lots. Any special Declarant rights created or reserved under this Article or elsewhere in this Declaration for the benefit of Declarant may be transferred to any person by an instrument describing the rights transferred and recorded in the office of the Clerk and Recorder for the County of Mesa. The rights of Declarant reserved in this Section 7 shall expire five (5) years after the recording of this Declaration. Such instrument shall be executed by Declarant and its transferee.
